

**GPCA – RC Excellence Award – Category 6
Responsible Partner Award**

Company:	
Focal point name:	
Email:	
Contact number:	

Selected Category:	
Sub-category/ Rising Star name:	

Recognizing industry contractors who have implemented the Responsible Care concept into their organization.

The company may not be recognized as RC but has been continuously improving their EHS&S performance.

GPCA members may nominate contractors or invite them to participate.

Entry criteria and guidelines for submission are listed below:

- Companies can submit maximum one entry per category of awards
- The contractor has provided services in the GCC for a minimum of 3 years.
- There have been no recorded fatality events in the past 2 years.
- The contractor has implemented an EHS&S policy, manual, and procedures that align with internationally accepted practices.
- The contractor possesses relevant accreditations and certifications such as ISO 9001, 14001, 45001, RC 14001, or any other applicable certifications.
- The contractor has insurance coverage for employee policies and conducts regular medical evaluations.
- The contractor has implemented a comprehensive employee well-being program and meets both local and international standards for employee accommodation.
- Participants should submit a range of 200-300 words against each scoring category listed below to meet the requirements
- Applicable entry fee for each award entry of 500 AED.
- Maximum of 4 attachments to be provided in support of the entry

Note: Criteria marked with * require evidence/attachment(s)
